BE IT Enacted by the Governor, the Legislative Council and the House of Assembly in Legislative Session convened, as follows:

DEFINITIONS

Definitions. 1. "Commission" shall mean the Highroads Commission, appointed under this Act.

"Highroad" shall mean any existing or projected road designated by the Governor-in-Council, and shall include all bridges, culverts and waterways in, under or over the same.

CONSTITUTION OF COMMISSION

2. There shall be a Highroads Commission, which shall be a body corporate and politic, with power to sue and be sued in that name.

(a) The Commission shall consist of the Government Engineer for the time being, and three other persons appointed by the Governor-in-Council.

(b) All appointments shall be for terms of two years, but, nevertheless, any Commissioner may be removed at the pleasure of the Governor-in-Council. Commissioners whose terms have expired by efflux of time may be re-appointed.

(c) Any vacancy in the Commission, caused by death, resignation, removal or otherwise, may be filled by an appointment for the remainder of the term so vacated. No vacancy in the Commission shall invalidate any of its proceedings authorized by a quorum.

(d) The Government Engineer for the time being shall be Chairman of the said Commission, and shall be styled "Chief Commissioner." He shall be entitled to vote as a Commissioner, and in case of a tie, shall have a casting vote.

(e) Three members of the Commission shall be a quorum for the transaction of business.

(f) The compensation of the Commissioners shall be fixed by the Governor-in-Council and may be changed from time to time.

(g) The Commission shall have power to employ such engineers, clerks and assistants as may

employ
assistants.

be needed, and at such salaries and at such times as shall appear to it to be necessary; and to prescribe and fix their duties.

POWERS OF COMMISSION

- | | |
|---|---|
| Power to alter alignments, etc. | 3. (a) Upon assuming control of such existing roads as the Governor-in-Council may designate, the Commission shall have power to alter and change the alignments and locations and the gradients and the widths of same from time to time as it may see fit. |
| To construct highroads. | (b) The Commission may construct, reconstruct or maintain Highroads by Contract, in whole or in part, or by its own workmen, according to its discretion. |
| To provide materials, etc. | (c) The Commission may provide materials, plant, tools and equipment for the construction and maintenance of Highroads. |
| To control maintenance and upkeep of highroads. | (d) The Commission shall have the control of the maintenance and upkeep of Highroads, and shall as soon as practicable organize a proper and sufficient control force to keep the said roads in good condition. |
| To make regulations. | (e) The Commission may make regulations respecting the use and control of a Highroad, including penalties for violation thereof, which may be recovered by summary proceedings before a Stipendiary Magistrate. Such regulations when approved by the Governor-in-Council and proclaimed through the Newfoundland Gazette shall have the force and effect of law. |
| To purchase, etc. | (f) The Commission may for and in the name of His Majesty, purchase or acquire, and may |

without the consent of the owner thereof, enter upon, take and expropriate any land or property, which it may deem necessary for the use or purposes of the Commission, in making, maintaining or repairing a Highroad.

PROPERTY OF COMMISSION.

4. (a) All property acquired under this Act shall be ^{Property} vested in His Majesty, and be under the con- ^{vested in His} trol of the Commission. ^{Majesty.}
- (b) All property of the Commission, real or per- ^{Property may} sonal, no longer required for the use of the ^{be sold, etc.} Commission, may be sold, leased or disposed of by the Commission.
- (c) The Commission may direct that any High- ^{Highroad may} road or portion thereof for which an alterna- ^{be closed, etc.} tive route has been substituted, or which is no longer required by the Commission for the purpose of a Highroad, or which from any cause should not remain under the jurisdiction of the Commission, may be closed to traffic, afforested or sold, leased or otherwise disposed of.

COMPENSATION AWARDS.

5. The owner of property expropriated, used, or in- ^{Compensation} juriously affected by the exercise of any of the powers of ^{to owner of} the Commission shall be entitled to compensation for ^{land, etc.} damages necessarily resulting from the exercise of such powers which may be in excess of any advantage which he may derive from the contemplated work; and if the Commission and the owner cannot agree upon the amount of compensation, such amount shall be ascertained by the Chief Commissioner, an Assessor appointed by him, and

another by the owner of the property, and they shall be held to act as experts, not as arbitrators, and their award shall be final.

Owner
refusing to
nominate
assessor.

- (a) If the owner shall refuse or neglect to nominate an Assessor within thirty days after being required in writing to do so, the Chief Commissioner may nominate an Assessor on behalf of the owner, and the award of the Chief Commissioner and Assessor shall be held to be the award of experts, not arbitrators, and shall be final.

Awards.

- (b) Awards shall be in writing, and the amount shall be paid within thirty days.

Fees of
assessors.

- (c) The fees of the Assessors shall be paid by the Commission.

Power to
enter on
property.

- (d) The property may be entered upon, taken, used and expropriated before compensation or award made.

LAND PLANS

Highroad land
plan.

6. (a) When land is or has been purchased or acquired by the Commission under any of the powers conferred by the Act along or adjacent to or in the vicinity of a highroad, the lands so acquired may be shown on a plan of the Highroad marked "Highroad Land Plan," signed by the Chief Commissioner, and deposited in the Department of Agriculture and Mines, and such plan shall be of full effect in establishing the ownership of such lands by His Majesty under any of the provisions of this Act.

Amendment of
plan.

- (b) A Land Plan deposited in the Department of Agriculture and Mines under the next precea-

ing sub-section may be amended upon the authority of the Chief Commissioner from time to time, or another plan may be substituted therefor upon like authority, for the purpose of showing additional lands purchased or acquired, or for the purpose of indicating thereon lands sold or disposed of.

ORIGINAL RIGHT OF WAY

7. An original road which is not being used as a highway, or which has been occupied by an owner or other person, may be entered on, taken, used and occupied for the purpose of a Highroad, provided that where any person shall have acquired the title to any land taken under this section, he shall be entitled to the like compensation as in the case of land expropriated for the purposes of a Highroad.

BOUNDARIES AND FENCES

8. Where in the opinion of the Commission it is necessary in order to determine the true course and boundaries of any Highroad, the Commission may appoint a Land Surveyor to make the necessary Survey, and the boundary line as so ascertained shall be the true and unalterable boundary line of the Highroad.

9. (a) The Commission may fix the distance from the centre of the roadway at which buildings and fences may be placed.

(b) The Commission may agree with the owners or occupants of land adjoining a Highroad with respect to the moving, removal or construction of wire or other types of fence along any Highroad, and may make compensation therefor.

Commission
may remove
building, etc.

10. The Commission may direct and undertake the removal of any building, fence or other erection, or the clearing of any land adjacent to a Highroad, where in its opinion the safety and convenience of the travelling public so requires, but subject to the payment of such compensation as may be agreed upon or may be determined in the manner provided by section 5.

ROADS CONNECTING WITH HIGHROADS

Highroad
connecting
with highway
or railway.

11. (a) Wherever a Highroad connects with or intersects a highway which is not a Highroad, or a railway, the continuation of the Highroad to its full width across the highway, or railway, so connecting or intersected, including bridges and culverts thereon, shall be a part of the Highroad.

Altering road
intersecting
or affording
access to
highroad.

(b) Where it is deemed desirable to change the grade, or make any alterations upon a road intersecting or affording access to a highroad, or giving access to private property, the cost of continuing its width shall be part of the cost of the construction of the Highroad and shall be borne and paid accordingly.

Construction
on highway
leading to or
near highroad.

12. The Commission may construct and operate such works upon any highway leading to or in the neighbourhood of a Highroad as it may deem necessary or expedient for the purpose of transportation of material and supplies, or it may contract with any person so to do, or may lease or acquire lands or property and construct and operate such works thereon for such purposes.

HIGHROADS IN MUNICIPALITIES

Construction
of highroad
within
municipality.

13. When it is deemed by the Commission desirable and expedient that a highway or portion thereof within a municipality, including any necessary bridges, shall be

constructed as a connecting link between portions of a Highroad, the Commission may designate such highway or portion thereof within the municipality to be constructed by the municipality, and may arrange with the council of the said municipality the apportionment of the cost of the construction of the highways and bridges within the said municipality.

14. (a) The Council of any municipality through which a Highroad is situate may construct sidewalks thereon, but subject always to the approval of the Commission first had and obtained.

- (b) The Commission must first obtain the consent of the Municipal Council before any work can be commenced in the city of St. John's.

15. The corporation of any municipality through or upon which any part of a Highroad is situate or any owner of abutting property; may enter into an agreement with the Commission for the construction of a pavement or roadway of greater width, or with different specifications to those for the remainder of the roadway, and the Commission may construct a pavement or roadway of such additional width or varied specifications through the municipality or such portion thereof as may be agreed upon.

16. A municipality shall not close or divert any road or right of way for a road entering or touching upon or giving access to the Highroad without the consent of the Commission first had and obtained.

17. (a) The Commission shall have, and may exercise within the limits of any municipal corporation along the course of the Highroad all the powers which may be exercised by a municipal

corporation authorized to lay out, maintain and construct a highway.

Rights,
powers, etc., of
commission in
respect of
highroad.

- (b) The Commission shall in respect of a Highroad under its jurisdiction have all the rights, powers, benefits and advantages conferred by bye law or contract or otherwise upon the municipality or authority which had jurisdiction over the said road before it was assumed by the Commission and the Commission may sue upon such rights or under such agreement or contract in the same manner and to the same extent as the municipality or authority might have done if such road had not been adopted as a Highroad

REGULATING OPENINGS, STRUCTURES, PIPES, ETC.

Obstruction of
highroad.

18. No municipality or person shall obstruct or deposit rubbish, filth, ashes or other material upon, enter upon, take up or in any way interfere with a Highroad for the purposes of laying down or repairing any drain, sewer, water pipe, gas pipe, conduit or any other structure beneath the surface of the Highroad, except with the consent of the Commission, and under and subject to such terms and conditions as to the manner and location of the work, the times at which it is to be performed, the disposal of material and the replacing of the surface as the Commission may prescribe.

OVERHEAD WIRES AND OTHER STRUCTURES

Wires, and
poles.

19. Telegraph, telephone and electric light or power wires and poles may be carried along or erected upon or across a Highroad, subject to the consent of the Commission first had and obtained, and to the terms and conditions approved by the Commission.

20. (a) Where any person has any works or structures upon or crossing a Highroad, the Commission shall have authority to repair or make such alterations in location or elevation of grade as may be necessary to the proper construction of the Highroad, and may make such apportionment of the cost as may be equitable to all parties interested. Works or structures on highroads.
- (b) If the owner of such works or structures is unable to agree with the Commission as to his share of the cost of any work under the authority of this section, the decision of the Commission shall be final and not be subject to appeal. Decision of commission as to cost to be final.

CLOSING OF HIGHWAYS

21. (a) While the construction, repair or improvement of any work authorized by this Act is in progress on a Highroad the Chief Commissioner may close any highway or any portion thereof to traffic for such times as he may deem necessary, and any person using an highway so closed shall do so at his own risk, and shall not have a right to recovery of damages in case of accident or injury. Closing of highway.
- (b) Every person who uses any highway so closed to traffic, or who removes or defaces any notice or obstruction placed thereon by lawful authority, shall incur a penalty not exceeding \$50.00, recoverable before a Stipendiary Magistrate by summary process, and shall be liable for any damages or injury to the highway or to the property of the Commission occasioned by such trespass. Penalty for using closed highway.
- (c) While the construction, repair or improvement of a Highroad or any work authorized Alternative route.

by this Act is in progress on a Highroad, the Commission shall where necessary provide and keep in repair a reasonable alternative route or routes for traffic, or may enter into an agreement with the Council of any municipality for such purposes.

|-------------------------------------|--|
| Planting trees. | 22. (a) The Commission may plant trees upon a Highroad, and the cost thereof shall be part of the repair and maintenance. |
| Penalty for damage to trees. | (b) No person shall injure, destroy, cut or prune any trees within the limits of a Highroad without the consent of the Commission first had and obtained under a penalty not exceeding One Hundred Dollars, recoverable upon summary conviction by a Stipendiary Magistrate. |
| Acquiring land for re-afforestation | 23. Lands adjacent to or in the vicinity of a Highroad may be acquired by purchase by the Commission for the purposes of re-afforestation. |

FINANCES

- | | |
|---------------------|---|
| Finances and audit. | 24. All sums of money voted by the Legislature and appropriated by the Governor-in-Council for expenditure by the Commission, and all sums collected by the Commission from any source, shall be deposited in the name of the Commission in such bank as the Minister of Finance and Customs at his discretion shall indicate, and the Commission shall render an account to the Minister of Finance and Customs in the manner and at times indicated by the latter of its receipts and disbursements as well as of its assets and liabilities. The Commission accounts shall be subject to examination and audit by the Comptroller and Auditor General of the Colony. |
|---------------------|---|

PROCEEDINGS

25. No action shall be commenced against the Commission for anything done by it in pursuance of the provisions of this Chapter until one month after notice in writing shall have been delivered to it, nor later than six months after the occurrence of the cause of action. In such notice shall be clearly and explicitly contained the cause of action, the name and place of abode of the claimant, and of his Attorney or Agent.

REPORT

26. (a) The Commission shall on or before the inter-vening of a Session of the General Assembly, make a full and detailed report to the Governor-in-Council, showing the construction and maintenance work done since the last report, and the cost of the same; and the receipts and disbursements of the Commission, and such other data as may be of interest in connection with the work thereof, and a copy of such report shall be laid before the Legislative Council and the House of Assembly on or before the 10th day after the opening of the session.

(b) The report and accounts of the Commission shall be accompanied by the report of the Comptroller and Auditor General thereon.

PART I.

REGISTRATION AND PERMITS.

Registration
of motor
vehicles.

3. (a) The owner of every motor vehicle shall register the same with the Commission before driving or operating or causing the same to be driven or operated upon a highway, and pay to the Commission fees for the registration of such motor vehicle and the number plates therefor;

Permit to
motor vehicle
registered.

- (b) The Commission shall issue for each motor vehicle so registered a numbered permit stating that such motor vehicle is registered in accordance with this Act, and shall cause the name of such owner, his address and the number of his permit, to be entered in a book to be kept for such purpose;

Authority to
issue
permits.

- (c) The Commission may give authority to any person to issue permits for motor vehicles, and may define the duties and powers of such person, and, where the salary is not otherwise provided, may authorize and fix the fee to be retained by the person so authorized for each permit issued;

Declarations
and affidavits.

- (d) Declarations or affidavits in connection with the issuance of permits and licenses under this Act or required by the Commission in that regard, may be taken before any person having authority to administer oaths, or before any person specially appointed for that purpose by the Commission, but any person so specially authorized shall not charge any fee therefor.

False
statement.

4. (a) No person shall knowingly make any false statement of fact in any application, declaration, affidavit or paper-writing required by this Act or by the regulations or by the Commission in order to procure the issuance to him

of a license, permit or certificate of registration;

- (b) Where an owner changes his address as given under sub-section (b) of section 3 he shall within six days send by registered letter or cause to be filed with the Commission his change of address, and every subsequent change of address; Change of address.
- (c) No permit shall be issued for a motor vehicle where the manufacturer's serial number or similar identifying mark has been obliterated or defaced, until the owner has filed with the Commission satisfactory proof of the ownership of the vehicle, and, if known, the reason for such obliteration or defacement. If satisfied as to the statements made, the Commission may grant permission to cut, impress, emboss, or attach permanently to such vehicle a special identification number or mark which thereafter shall be deemed sufficient for the purpose of registration of such vehicle. Obliteration of manufacturers' identifying mark.
5. (a) Every motor vehicle other than a motor bicycle, while being driven on a highway, shall have attached to and exposed on the front and back thereof, in a conspicuous position, a number plate furnished by the Commission showing in plain figures the number of the permit issued for the current year; Number plate.
- (b) The number plate on the front shall be as far forward and as high from the ground as may be necessary to render it distinctly visible, and the number plate on the back shall be so placed that the lower edge thereof shall not be lower than the body of the motor vehicle; provided that this sub-section, so far as it relates to the position of the number plate or Position of number plates.

the back shall not apply to motor trucks or other motor vehicles for the delivery of goods,

Number
plates on
motor bicycle.

- (c) A motor bicycle while being driven on a highway shall have exposed on the front and back thereof a number plate furnished by the Commission showing in plain figures, not less than two inches in height, the number of the permit of such motor bicycle.

The number plate on the front shall show the number of the permit on both sides, and shall be fixed so that the number is plainly visible from either side of the motor bicycle.

Defacing
plate.

6. No person shall

- (a) deface or alter any number plate furnished by the Commission;

Using defaced
plate.

- (b) use, or permit the use of a defaced or altered number plate or a number plate issued by the Commission for any other motor vehicle upon any motor vehicle owned by him, or

Using number
plate not
issued.

- (c) without the authority of the owner remove a number plate from a motor vehicle or attach thereto a number plate not issued for such motor vehicle by the Commission;

Notice to
commission of
sale.

- (d) fail to forward within six days a notice to the Commission of the sale or transfer by or to him of a motor vehicle for which a permit has been issued.

Number plate
property of
Crown.

- (e) Every number plate furnished by the Commission under this Act shall be and remain the property of the Crown, and shall be returned to the Commission whenever required by the Commission.

Only number
plate to be
exposed.

7. (a) No number other than that upon the number plate furnished by the Commission shall be exposed on any part of a motor vehicle in

such a position or manner as to confuse the identity of the number plate.

- (b) Number plates on motor vehicles shall be kept free from dirt and obstruction, and shall be so affixed that the numbers thereon shall be at all times plainly visible, and the view thereof shall not be obscured or obstructed by spare tires, bumper bars, or by any part of the motor vehicle or attachments thereto, or by the load carried.

8. Any peace officer who has reason to believe that a motor vehicle has exposed thereon a number plate which was not issued for it, or which although issued for it was obtained by false pretences, may take possession of such number plate and retain it until the facts as to the carrying of such number plate have been determined.

9. (a) The provisions of Sections 3 and 5, and sub-sections (a) of Section 7, and (a) of Section 16, shall not apply to tourists and Motor Vehicles owned by tourists coming or brought to the Colony for touring purposes if the tourist be a non-resident and has complied with the laws of the country in which he resides with respect to the registration of such vehicles.

- (b) Upon the arrival of any such motor vehicle in this Colony it shall be reported to the Chief Customs Officer at the port of entry, who shall thereupon record its serial, motor and registration numbers, and its style and make, and issue a tourist's permit (upon a form supplied by the Commission) containing such particulars;

- (c) A Motor Vehicle imported as last mentioned shall not for three months be subject to customs duties if operated by or for the tourist, but if sold within the Colony, or not exported

within three months of its importation it shall upon such sale, or at the expiry of such time become liable for customs duties and to all the provision of this Act. Provided that the Commission (with the consent of the Minister of Customs) may extend the period of exemption for not more than two months;

Report of
sale of
tourist's motor
vehicle.

- (d) Upon the sale of a Motor Vehicle imported under such last mentioned permit, or upon its exportation from the Colony, such sale or exportation shall be reported by the owner to the nearest customs officer, and the permit for entry surrendered to such officer, and in case of sale the proper customs duty paid. The identifying numbers and a proper description of any motor vehicles imported under permit and not exported within the period of exemption, or sold and the proper customs duty paid thereon, shall be adequately advertised by the Commission;

Tourist's
motor vehicle
to have
number, etc.,
under laws of
country where
registered.

- (e) While operated in this Colony, prior to payment of customs duties thereon, such motor vehicle shall have exposed thereon the registration numbers and other marks, if any, required by the law of the country in which the said Motor Vehicle is registered;

Report of
issue of
permit.

- (f) Any customs officer who issues a permit as provided herein shall promptly report to the Commission the issue thereof;

Fee on
permit.

- (g) A fee of \$5.00 for the permit shall be paid by the owner to the Customs Officer issuing the same, and shall be paid to the Commission by him.

PART II.

REQUIREMENTS AS TO EQUIPMENT.

10. (a) Whenever in motion on a highway after sunset ^{Lamps.} and before sunrise every motor vehicle shall carry three lighted lamps in a conspicuous position, one on each side of the front, which shall cast a white, green or amber coloured light only, and one on the back of the vehicle, which shall cast from its face a red light only except in the case of a motor bicycle without a side car, which shall carry on the front one lamp which shall cast a white light only, and one on the back of the vehicle which shall cast from its face a red light only. Any lamp so used shall be clearly visible at a distance of at least two hundred feet;
- (b) No motor vehicle shall carry on the front ^{Lamps in} thereof more than three lighted lamps of over ^{front.} four candle power; and additional lights displayed on the front of commercial vehicles to distinguish the width or class of such vehicle shall be green in colour only, and of not more than four candle power;
- (c) In the case of a motor vehicle belonging to a Police or fire ^{dept.} police or fire department the lamps on the front may cast a white or such colour of light as may be approved by the Commission;
- (d) Whenever in motion on a highway after sun-^{Lamp on} set and before sunrise, every bicycle or tri-^{bicycle.} cycle shall carry on the back thereof a red lighted lamp or red reflector so placed as to be clearly visible to drivers of vehicles approaching from the rear.
- (e) The lamp on the back of a motor vehicle shall ^{Lamp on} be of at least two candle power, and shall be ^{back.} back.

so placed that it will illuminate at all times between sunset and sunrise the numbers on the said number plate, or if provision is made on the number plate or on any attachment furnished or required by the Commission for affixing such lamp, it shall be affixed in the position or space provided. Such lamp shall face to the rear and reflect on the number plate a white light only;

Light on
motor vehicle
when standing.

- (f) A motor vehicle while standing upon any highway at such times as lights are required by the provisions of this section for such vehicle may, in lieu of the lighting equipment specified in this section, show one light carried on the right side of the car in such a manner as to be clearly visible to the front and rear for a distance of at least two hundred feet, and to show white to the front and red to the rear of the vehicle, provided, however, that such light shall not be displayed while the motor vehicle is in motion;

Lighting
device over
four candle
power.

- (g) It shall be unlawful to carry upon a motor vehicle any lighting device of over four candle power, equipped with a reflector, unless the same shall be so designed, deflected or arranged that no portion of the parallel beam of reflected light when measured seventy-five feet or more ahead of the lamp shall rise above 42 inches from the level surface on which the vehicle stands;

Device to
eliminate
glare.

- (h) Any device for the elimination of glare, approved from time to time by the Commission, when in proper adjustment, and having a lamp of candle power not in excess of that authorized by the Commission for such device, shall be held to be in conformity with the next preceding sub section;

- (i) It shall be unlawful to carry on any motor vehicle on a highway any lamp which revolves upon a pivot or other device so that the rays of such light may be projected in different directions by an occupant of the vehicle except in cases of accident or other emergency; but this shall not prevent a motor vehicle of a fire department from carrying such a lamp for use only at the actual scene of a fire, or a motor vehicle used by a public service corporation, commission, or board for locating breaks in, or trouble with, overhead wiring or a motor vehicle of the Commission used for the enforcement of the provision of this Act; Revolving lamp.
- (j) Spotlights or searchlights may be affixed to the right side of the vehicle, and the ray of light therefrom shall be directed to the extreme left of the travelled portion of the highway in such a manner that the beam of light shall strike the extreme left of the travelled portion of the highway within seventy-five feet of the said vehicle; Spotlight or searchlight.
- (k) Every traction engine shall, after sunset and before sunrise carry a lamp in a conspicuous place in front, which shall cast a white or green light only, and one on the rear of the engine or any vehicle which may be attached to it which shall cast from its face a red light only. Lamp on traction engine.
- (l) Except as herein otherwise provided outside the limits of the City of St. John's every vehicle shall after sunset and before sunrise carry on the right side of such vehicle a lamp or lamps which shall be so constructed and carried as to exhibit a white light in the direction in which the vehicle proceeds and so lighted and kept lighted as to afford adequate Lamps on vehicles outside St. John's.

Brakes on
motor vehicles.

11. Every motor vehicle shall be equipped with efficient foot or service and hand or emergency brakes in good working order, and any police constable or any officer appointed for carrying out the provisions of this Act may at any time inspect or cause an inspection to be made of the brakes of any motor vehicle on the highway, and may, if such brakes are not in good working order, require the driver of such motor vehicle to proceed forthwith to put or have such brakes put in good working order.

Tires on
vehicles of
4,000 pounds
weight.

12. (a) All self-propelled vehicles, other than traction engines, and all trailers having a gross weight in excess of 4,000 pounds, shall be equipped with rubber tires, or tires of some composition equally resilient, and a vehicle shall not be operated on any highway with a tire that is broken or defective in such a manner as to cause additional impact or pounding on or cutting of the highway. In the case of motor vehicles equipped with solid rubber tires there shall be at least one and one-quarter inches of rubber between the wheel rim and the roadway;

Flanges,
clamps, etc.

(b) No vehicle shall be operated or object moved over or upon any highway with any flange, rib, clamp or other device attached to its wheels, or made part thereof, which might injure the highway unless permitted by the Commission.

Noise
muffler.

13. (a) Every motor vehicle shall be equipped with an efficient noise muffler, and no contrivance for

releasing such muffler shall be attached to the motor vehicle so that it may be operated from any seat in the vehicle;

- (b) A person having the control or charge of a motor vehicle shall not sound any bell, horn or other signalling device so as to make any unreasonable noise, and an operator of any motor vehicle shall not permit any unreasonable amount of smoke to escape from the said motor vehicle, nor shall such operator at any time, by cutting out the muffler or otherwise, cause such motor vehicle to make any unnecessary noise, provided that this sub-section shall not apply to a motor vehicle of a fire department answering a fire alarm call or of the Constabulary engaged on official business. ^{Unreasonable noise or smoke.}

- (c) Every motor vehicle shall be equipped with an efficient horn, and the same shall be kept in good working order and sounded whenever it shall be reasonably necessary to notify pedestrians or others of its approach. Bells, gongs or siren horns shall not be used thereon except on fire or police apparatus, and with the permission of the Commission. ^{Horn.}

14. Every person travelling upon a highway with a sleigh or sled drawn by a horse or other animal, shall have at least two bells attached to the harness or to the sleigh or sled in such a manner as to give ample warning sound. ^{Bells—sleigh or sled.}

15. No vehicle, on a highway, including load or contents, shall have a greater width than 90 inches, except traction engines or threshing machines which may have a total width of 110 inches, and except loads of loose fodder. ^{Width of vehicle.}

PART III.**OPERATORS' AND CHAUFFEURS' LICENSES**

Operator's and
driver's license.

16. (a) No person shall operate or drive a motor vehicle on a highway unless licensed so to do; except persons learning to qualify for a driver's license under the direction of an instructor approved by the Commission on highways licensed by the Commission for such purpose;

Drivers to be
licensed.

(b) No person shall employ anyone to drive a motor vehicle who is not licensed;

7 " "	11,200 "
8 " "	12,800 "
10 " "	16,000 "
12 " "	18,000 "

provided that the Commission may authorize tires of less than the width specified in such table in the case of such vehicles, the gross weight of which is distributed more or less evenly on all four wheels and in the case of such vehicles which are equipped with more than four wheels and in the case of trailers:

Width of
tires.

(d) For the purpose of this Section the width of solid rubber or pneumatic tires shall be stamped thereon by the manufacturers and approved by the Commission;

Trailer.

(e) For the purpose of this section a trailer shall be considered a separate vehicle and not part of the motor vehicle by which it is drawn.

Permit for
moving heavy
loads.

29. (a) The authority having jurisdiction over the highway may, upon application in writing, grant a permit for the moving of heavy vehicles, loads, objects or structures in excess of a total weight of 18,000 pounds, over said highway or for operating or moving over any such highway any vehicle, object or contriv-

ance, the weight of which resting upon the surface of the said highway exceeds the weight as provided by section 28.

- (b) Such permit may be general or may limit the time and the particular highway which may be used, and may contain special conditions or provisions which may be deemed necessary for the protection of said highway from injury, and the authority may require a bond sufficient to cover the cost of repairing such possible injury to the highway; Permit may contain conditions.
- (c) The Commission may provide that such permit may be issued by an officer of the authority named therein; Permit may be issued by officer.
- (d) The owner, operator or mover of any such vehicle, object or contrivance who has obtained the permit mentioned in this section shall nevertheless be responsible for all damages which may be caused to the highway by reason of the operating or moving of any such vehicle, object or contrivance. Owner of vehicle responsible for damages.
30. (a) No motor vehicle having permit issued under this Act, the fee for which is based upon the weight of the vehicle and load, shall at any time when upon a public highway, carry a load in excess of that for which the permit was issued as stated upon such permit, and for which the fee therefor was estimated; Load not to exceed permit.
- (b) During the months of April and May, commercial motor vehicles and trailers operated over or upon any highway and within a municipality and having a carrying capacity exceeding 1,000 pounds, if equipped wholly or in part with solid tires, and all other commercial motor vehicles having a carrying capacity exceeding 2,000 pounds shall not be loaded in Loads in April and May on motor vehicles.

excess of one-half the carrying capacity of such vehicles, as registered with the Commission, without obtaining a permit as provided by Section 29.

Loads in
April and May
on other than
motor vehicles.

- (c) During the months of April and May, a vehicle other than a motor vehicle, operated over or upon any highway not within a municipality, and having a carrying capacity exceeding 2,000 pounds shall not be loaded in excess of 250 lbs. upon an inch in width of tire without obtaining a permit as provided by Section 29.

Municipal
bye-laws.

- (d) The council of a municipality may, by bye-law, declare the provisions of sub-sections (b) and (c) to be in force in respect of highways within such municipality;

Extension of
period.

- (e) Any authority having jurisdiction over any highway, may, by bye-law or regulation, declare the provisions of sub-sections (b) and (c) to extend and apply to highways under its jurisdiction during any period from the 1st November to the 31st of May.

Certificate as
to weight.

31. Any police constable or any officer appointed for carrying out the provisions of this Act who believes any vehicle to be carrying a weight in excess of the loads permitted by this Act, may require the operator of such vehicle to proceed with the vehicle as loaded to the nearest adequate weighing machine, and obtain therefrom a certificate as to the weight of such vehicle and load; and the operator's refusal shall be a violation of this section, but the operator shall not be required to proceed if it is necessary for him to travel more than one mile out of his way in order to reach such weighing machine.

Load
overhanging
rear of
vehicle.

32. Every vehicle carrying a load which overhangs the rear of the vehicle to the extent of five feet or more shall display upon such overhanging load at the extreme rear end thereof, at all times between sunset and sunrise, a red light, and at all other times a red flag, or a red

wooden or metal sign sufficient to indicate the projection of such load.

23. Every motor vehicle having a permit issued under this Act, the fee for which is based upon the weight of the vehicle and load, shall have attached to both sides of the body of the vehicle, in a clearly visible position, a sign issued by the Commission showing the gross weight of the vehicle for which the permit was issued and such other information as the Commission may require. Provided, however, that this section shall not apply to hearses, casket wagons, ambulances, police patrols and fire apparatus.

34. Notwithstanding anything contained in this part and in Part VII., the Commission may further restrict the permissible gross weight where roads, bridges or culverts have not been reconditioned by the Commission under the operation of the Highroads Commission Act, 1925.

PART VII.

TRACTION ENGINES ON HIGHWAYS

35. (a) Traction Engines, not exceeding 20,000 pounds in weight may be used upon any highway subject to the provisions of this part; Traction engines on highway.
- (b) The speed of a traction engine shall at no time exceed the rate of six miles an hour; Speed.
- (c) The width of the driving wheels of all such engines shall be at least 12 inches and the wheels of the trucks or wagons drawn thereby shall be at least four inches in width for the first 4,000 pounds capacity, load and weight of truck included, and at least an additional half inch for each additional 2,000 pounds; Width.
- (d) No traction engine having a weight in excess of 6,000 pounds shall be operated upon any highway unless the cleats, if any, on the Cleats where engine exceeds 6,000 lbs.

rear wheels have a smooth surface, and are not less than one and a half inches in width of face. If the cleats extend the full width of the rim of the wheel, they shall be placed at intervals of not more than six inches, and if they do not extend the full width of the rim, but are staggered diagonally, they shall be placed at intervals of not more than four and a half inches, and in no case shall they be placed at an angle of more than 30 degrees with the horizontal axis of the wheel;

Cleats or
flanges.

- (e) No traction engine shall be operated upon any highway unless the cleats or flanges, if any, on the wheels, are such that the weight resting upon the surface of the highway does not exceed 200 pounds upon any square inch of cleat or flange, assuming the entire width of the face of the cleat or flange to bear on the highway.

Bridges and
culverts.

36. (a) Before it shall be lawful to run such engine over any highway, the person proposing to run the same shall, at his own expense, strengthen all bridges and culverts to be crossed by such engine, and keep the same in repair so long as the highway is so used;

Cost of
repairs.

- (b) The cost of such repairs shall be borne by the owners of different engines in proportion to the numbers of engines run over such bridges or culverts;

Planks on
bridge or
culvert.

- (c) Before crossing any such bridge or culvert the person proposing to run any traction engine shall lay down on such bridge or culvert planks of sufficient width and thickness to fully protect such bridge or culvert from any injury that might otherwise result thereto from the contact of the wheels of such engine; and in default thereof the person in charge,

and his employer, if any, shall be liable to the authority over such bridge or culvert for all damage resulting to such bridge or culvert.

PART VIII.

RULES OF THE ROAD.

17. (a) Where two persons in charge of vehicles or ^{Approaching cross road.} on horseback approach a crossroad or intersection at the same time, the person to the left hand of the other vehicle or horseman shall have the right of way;
- (b) Where a person travelling or being upon a ^{When meeting on highway.} highway in charge of a vehicle meets another vehicle he shall turn out to the left from the centre of the road, allowing to the vehicle so met one-half of the road free;
- (c) Where a person travelling or being upon a ^{When meeting bicycle.} highway in charge of a vehicle meets a person travelling upon a bicycle or tricycle, the person in charge of the vehicle shall allow the person travelling on the bicycle or tricycle sufficient room on the travelled portion of the highway to pass;
- (d) Where a person travelling or being upon a ^{Overtaking party.} highway in charge of a vehicle or on horseback is overtaken by a vehicle or horseman travelling at greater speed, the person so overtaken shall turn out to the left and allow such vehicle or horseman to pass;
- (e) Any person so overtaking another vehicle or ^{Overtaking party.} horseman shall turn out to the right as far as may be necessary to avoid a collision with the vehicle or horseman so overtaken, and the person so overtaken shall not be required to leave more than one-half of the road free;

Person on
bicycle
overtaken.

- (f) When a person travelling or being upon a highway on a bicycle or tricycle is overtaken by a vehicle or horseman travelling at a greater speed, the person so overtaken shall turn out to the left and allow such vehicle or horseman to pass, and the person so overtaking a bicycle or tricycle shall turn out to the right so far as may be necessary to avoid a collision;

Person on
bicycle not to
take hold of
other vehicle.

- (g) No person while riding on a bicycle shall attach to or take hold of any other vehicle for the purpose of being drawn along a highway;

Heavily laden
vehicle.

- (h) Where one vehicle is met or overtaken by another, if by reason of the weight of the load on either of the vehicles so meeting or on the vehicle so overtaken the operator finds it impracticable to turn out, he shall immediately stop, and if necessary for the safety of the other vehicle, and if required so to do, he shall assist the person in charge thereof to pass without damage;

No person to
pass unless
road free.

- (i) No person in charge of a vehicle shall pass, or attempt to pass another vehicle going in the same direction on a highway, unless, and until, the travelled portion of the highway in front of, and to the right of the vehicle to be passed is safely free from approaching traffic;

Vehicles
having right
of way over
all others.

- (j) Police, fire and mail vehicles and ambulances shall have the right of way over all other vehicles;

Approach of
Fire Dept.
apparatus.

- (k) The driver of a vehicle on the approach of any apparatus of the Fire Department shall bring his vehicle to a stand still as near the left hand curb or side drain as possible;

- (1) Drivers of vehicles shall stop whenever required to do so by any member of the police force, either verbally or by a signal with the hand, and they shall obey his order and comply with any direction which he may give them in the interest of good order of traffic or public security; Vehicles to stop when ordered by police.
38. (a) Where a portable or traction engine is met or overtaken on a highway by a vehicle drawn by a horse or other animal or by a horseman, the operator of the engine shall, if practicable, turn out to the left and give such vehicle or horseman at least one-half of the road, and, if requested by the other driver, or horseman, shall stop and remain stationary until the vehicle or horseman has safely passed, and assist such driver or horseman to pass. When portable or traction engine met or overtaken.
- (b) It shall be the duty of the operator or the person in charge of any such engine to see that it makes no noise by whistling or otherwise when any horse or animal is passing or is near or is about to pass the same on any highway; Engine to make no noise.
59. (a) Where a person travelling or being upon a highway in charge of a vehicle, or on a bicycle or tricycle, or on horseback or leading a horse, overtakes a street car, or a car of an electric railway, operated in or near the centre of the travelled portion of the highway, which is stationary for the purpose of taking on or discharging passengers, he shall not pass the car or approach nearer than six feet measured back from the rear or front of entrance or exit, as the case may be, of the car on the side on which passengers are getting on or off until such passengers have got on or safely to the side of the street, as the case may be; Overtaking stationary street car when passengers getting on or off.

Overtaking
street car.

(b) No person in charge of a vehicle, or on a bicycle or tricycle, or on horseback, or leading a horse, overtaking a street car or the car of an electric railway, operated in or near the centre of the travelled portion of the highway, which is stationary or in motion, shall pass on the right hand side of such car, having reference to the direction in which such car is travelling; but this shall not apply to a vehicle belonging to a municipal fire department while proceeding to a fire or answering a fire alarm call.

Precaution to
prevent
frightening of
horses.

40. Any person having the control of a motor vehicle shall, when upon a highway and approaching any vehicle drawn by a horse, or a horse upon which any person is riding, operate, manage and control such motor vehicle in such manner as to exercise every reasonable precaution to prevent the frightening of such horse, and to ensure the safety and protection of any person riding or driving the same, and if going in the same direction shall signal his desire to pass, and give the rider an opportunity to turn out, so that he may be passed with safety, and if any such horse going in the opposite direction appears to be frightened, or if such person is signalled so to do, he shall stop such motor vehicle, including the motor, and shall remain stationary so long as may be necessary to allow such rider or driver to pass, or until directed by him to proceed, and in case any animal ridden or driven by such rider or driver appear to be frightened, such person and the occupants of the motor vehicle shall render assistance to such rider or driver.

Parking of
motor vehicles.

41. A motor vehicle shall not be parked upon a highway except upon the left side thereof, facing in the direction in which it was proceeding.

PART IX.**PROHIBITIONS AND RESPONSIBILITY FOR
ACCIDENTS.**

42. No person shall throw or deposit or knowingly leave on a highway any glass, nails, tacks, scraps of metal or other material which may be injurious to the tires of motor vehicles, or while the highway is covered with snow deposit ashes or other refuse thereon. ^{Deposit of refuse, etc., on highway.}

43. If an accident occurs on a highway every person in charge of a vehicle who directly or indirectly participates in the accident shall remain at or return to the scene of the accident and render all possible assistance and give in writing to any one sustaining loss or injury his name and address, and also the name and address of the owner of the vehicle, and the number of the permit if any. ^{Accident occurring on highway.}

44. If the employer of a chauffeur is present in the motor vehicle at the time of the committing of any offence against this Act, such employer as well as the operator may be liable to conviction for such offence. ^{Liability of employer and operator.}

45. (a) When loss or damage is sustained by any person by reason of a motor vehicle on a highway, the onus of proof that such loss or damage did not arise through the negligence or improper conduct of the owner or operator of the motor vehicle shall be upon the owner or operator; ^{Onus of proof on owner or operator of motor vehicle.}

(b) This section shall not apply in case of a collision between motor vehicles on a highway. ^{Collision on highway.}

46. (a) No person under the age of 17 years shall operate a motor vehicle on a highway; ^{Age limit of operator.}

(b) No person over the age of 17 years shall operate a motor vehicle on a highway unless ^{Operator must have license.}

SCHEDULE.

THIS AGREEMENT made and entered into at St. John's in the Colony of Newfoundland this fourth day of April Anno Domini one thousand nine hundred and twenty-five BETWEEN His Excellency Sir William Allardyce, K.C.M.G., Governor of the Colony of Newfoundland and its Dependencies in Council, hereinafter called "the Government"

(Sgd.) W. L. Allardyce,
Governor,
(L.S.)

of the one part and The Newfoundland Hotel Facilities, Limited, a Company incorporated under Chapter 127 of the Consolidated Statutes of Newfoundland (Third Series) hereinafter called "the Company," of the other part.

Recital.

WHEREAS the Company is desirous of establishing in Newfoundland the business of hotel proprietors and keepers and of erecting one or more hotels for such purpose AND WHEREAS the Government desires to encourage and assist the establishment in Newfoundland of the said business. NOW THEREFORE it is hereby agreed between the parties as follows:—

Company to erect and operate hotel.

1. The Company shall erect and operate in the city of St. John's a hotel to contain one hundred and fifty rooms to be constructed of reinforced concrete, to be fire proof and to be equipped with modern furnishings throughout, the total cost of the said building and furnishings to be not less than seven hundred thousand dollars. The said hotel to be constructed in conformity with plans and specifications to be submitted to and approved by the Government.

Erection is to be commenced within two months.

2. The Company shall commence to erect the building mentioned in paragraph one hereof within two months from the date of the passing by the Legislature of an Act approving this Agreement and shall carry on continuously the work of construction, and shall have the said building ready for occupation and in operation on or before the first day of May A.D. 1926.

Deposit by company with Government.

3. As security for the carrying out by the Company of its undertaking as set out in paragraph two hereof,

the Company agrees to deposit with the Government upon the ratification of this Agreement by the Legislature a duly certified cheque for \$25,000.00 to be drawn on a bank to be approved by the Government, which cheque shall be forfeited to the Government in the event of a breach by the Company of the terms of paragraph two hereof. Provided that a temporary cessation of construction due to fire or other happening beyond the control of the Company shall not be a breach of paragraph two hereof.

4. The Government agree to give to the Company a Grant of grant of that piece or parcel of land situate on Caven-^{site.} dish Square and Ordnance Place, in the City of St. John's and bounded as follows:—On the West by Caven-dish Square and Ordnance Place aforesaid, on the North by properties in the occupancy of one Maunder, Godfrèy and Monroe respectively, on the East partly by property leased to one Churchill and partly by property of St. Joseph's Hall, on the South by Plymouth Road and Duckworth Street, together with a right of way leading from the Eastern boundary of said property to Factory Lane, the said piece or parcel of land being more particularly delineated on the plan hereto annexed marked "A" and thereon coloured red. The said grant shall be subject to a proviso that in the event of the Company failing to erect a hotel upon the said property as hereinbefore provided, the said Grant shall be void and the said property shall revert to the Government. The Company agrees that the said piece or parcel of land shall be used in connection with its said hotel business and for no other purpose, and shall not be sold, leased or otherwise disposed of except with the permission of the Government. If the Company shall be at any time desirous of acquiring the land marked "B" on the accompanying plan, and commonly known as Buckley's Estate and shall be unable to agree with the owners or occupiers of such land as to the purchase money or compensation to be paid therefor, the Company with the consent of the Governor-in-Council

may enter upon and take such lands, and the purchase money or other compensation, to be paid by the Company to the owners or occupiers of such land shall be settled by the Arbitration, provided by the Crown Lands Act, and upon payment to the Owners or Occupiers aforesaid of the amount awarded in such arbitration, the said land shall become and be the absolute indefeasible property of the Company.

Articles imported free of duty. 5. The following articles when imported by the Company for use in connection with the construction and operation of its hotels shall be admitted into the Colony free of duty and taxes, that is to say:—

All plant, machinery, engines, apparatus, tools, implements, building and other materials, furnishings and equipment, necessary for the original erection, installation and furnishing of the said hotel building or buildings.

Stock, etc., exempt from taxation. 6. The stock, dividends, debentures, debenture stock, bonds, mortgages and other securities of the Company shall be exempt from taxation.

Company exempt from certain taxes. 7. The Company shall be exempt for a period of ten years from the date hereof from all Income Tax, Business Profits Tax, and all similar taxes other than duties levied under the general law of the Colony on goods imported by the Company and not otherwise exempt. Provided however that nothing in this clause contained shall be construed to exempt individual Officers, Shareholders or Employees of the Company from any taxation otherwise payable by them.

Sale of wine and beers. 8. Notwithstanding any provision therein a permit under the Alcoholic Liquors Act shall be granted to the Company to keep and sell in its hotel or hotels wines and/or beers in accordance with the said Act at a fee not exceeding one hundred dollars per annum for the first ten

years, any addition to such fee thereafter not to exceed one hundred dollars per annum. Provided that the maximum fee payable by the Company for such permit shall not in any case exceed one thousand dollars.

9. The Government will guarantee the due payment by the Company of the principal of an issue of a series of Mortgage Debenture Bonds of \$450,000.00 to be secured by a Trust Deed containing a specific First Mortgage upon the property and fixed assets of the Company. Such a guarantee shall not commence or be effective until the first of June A.D. 1926. The said Debentures shall be serial debentures of which the sum of \$13,500.00 shall fall due and become payable each year. Such Debentures shall only be delivered to purchasers in accordance with the progress of the work of construction. Provision shall be made by the Company for the redemption of the said debentures by means of a sinking fund. In the event of the Company failing at any time to provide the said sinking fund to redeem the debentures upon maturity as aforesaid the said debentures so redeemed shall become the property of the Government. The said guarantee shall be given in such form as may be agreed to by the Government, and the said Trust Deed and Debentures shall before issue be subject to the approval of the Government.

10. The Municipal taxes to be levied on the Company's property shall for a period of thirty years be as follows:—

For the first six years.....	\$266.67	per annum
For the next six years.....	533.33	“ “
“ “ “ “ “	800.00	“ “
“ “ “ “ “	1,066.67	“ “
“ “ “ “ “	1,333.33	“ “

**Government
Directors**

11. So long as the Government remains under any obligation in respect of the said guarantee, the Company will permit the Government to nominate each year, prior to the election of Directors as provided by the Company's Articles of Association, one of the Directors of the Company (hereinafter called "the Government Director"). The Government Director shall not require any qualifications as to shares during the currency of the Government guarantee.

Nfld. labour.

12. The Company shall employ Newfoundland labour in connection with the construction of the said hotel or hotels with the exception of such labour as shall not be ordinarily obtainable in Newfoundland when needed.

Operation.

13. On the completion of the said hotel or hotels the Company shall forthwith commence the operation of the same under competent management and shall continue the operation thereof in an efficient manner.

Arbitration.

14. All matters of difference arising between the parties hereto upon any matters connected with or arising out of this Agreement shall be referred to three Arbitrators, one to be named by each of the parties hereto and a third to be named by the first two of the said Arbitrators, and the decision of the said Arbitrators shall be final and binding and the obtaining of the award of the Arbitrators shall be a condition precedent to the right to maintain any action under this Agreement by either party hereto. The provisions of the Judicature Act shall apply to all submissions to Arbitration under this Agreement.

**Contract not
to be
assigned
without
consent of
Government.**

15. The Company shall not assign or sublet this Contract or any part or portion thereof to any person or Corporation whomsoever without the consent in writing of the Government first being had and obtained which consent shall not unreasonably be withheld.

16. This Agreement is subject to the approval and Subject to
ratification of the Legislature of Newfoundland at the ^{ratification.}
present Session.

IN WITNESS WHEREOF His Excellency the
Governor-in-Council has caused the Great
Seal of the Island of Newfoundland to be
set hereto and has signed these presents,
and the Company has set and affixed its
Signature and Common Seal on the day
and year first before written.

By His Excellency's Command,

(Sgd.) J. R. BENNETT,
Colonial Secretary.

The Common Seal of The Newfoundland
Hotel Facilities Limited was hereto
affixed in presence of:

(Sgd.) T. E. ROUSSEAU, Director.

BE it enacted by the Governor, the Legislative Council and the House of Assembly in Legislative Session convened, as follows:—

1. Section 9 of Chapter 83 of the Consolidated Statutes (Third Series) is hereby repealed and the following substituted therefor:—

Sec. 9—
Repeal and substitution.

- 9. The Supreme Court may be held by one Judge, who may hear and determine all causes and matters except motions for new trials, motions in arrest of judgment, rehearings, appeals and special cases, when at least two Judges shall be present; provided that in these and in other cases in which two Judges so sitting shall differ in opinion, the cause or matter shall be reheard as soon as conveniently may be by the three Judges, and the judgment of any two shall be the judgment of the Court.

Sec. 29—
Repeal and
substitution.

2. Section 29 of the said Chapter is hereby repealed and the following substituted therefor:—

29. In cases not provided by local enactment the law of England as to right of appeal, adjudication of reserved points, removal or otherwise in criminal cases shall be the law of this Colony, so far as the same can be applied: subject to such amendments, alterations and further enactments of the Imperial Parliament as may hereafter be made, and which shall, after twelve months from the passing thereof, respectively be the law of this Colony: Provided that between the time of the passing of any law and its coming into force in this Colony, the law as it previously stood shall continue to be in force therein.

Sec. 30—
Amendment.

3. Section 30 of the said Chapter is hereby amended by striking out the words "except as provided by the next preceding section" in the first line thereof.

Sec. 59—
Amendment.

4. Section 59 of the said Chapter is hereby amended by striking out the words "two thousand" in the fifth line thereof and substituting therefor the words "five thousand" and by striking out the words "two hundred and forty" in the seventh line thereof and substituting therefor the words "three hundred and sixty."

Provided that this amendment shall not apply to the list of Grand Jurors, made, taken and revised in the year 1924 for the Grand Jury List of 1925.

Sec. 60—
Amendment.

5. Section 60 of this Chapter is hereby amended by striking out the words "fifty" in the fifth line thereof and substituting therefor the words "one hundred and twenty."

Provided that this amendment shall not apply to the list of Petty Jurors made, taken and revised in the year 1924 for the Petty Jury List of 1925.

6. Section 63 is hereby amended by striking out the words "during the first three weeks of October" in the eighth and ninth lines thereof and substituting therefor the words "before the 21st day of September" also by striking out the word "November" in the eleventh line and substituting therefor the word "October."

Sec. 63—
Amendment.

7. Section 67 of the said Chapter is hereby repealed and the following substituted therefor:—

Sec. 67—
Repeal and
substitution.

- (1) The names of the persons qualified to serve as Grand Jurors, with their respective occupations and places of abode, shall be written or printed on separate cards. Before Grand Jurors shall be required to attend any Session of the Court, the cards containing the names of all Grand Jurors then liable to attend at such session shall be compared with the list of such Grand Jurors and the Sheriff or Sub-Sheriff shall attend before the Registrar or his deputy and they shall make the comparison. The comparison in St. John's shall be made not less than seven days before the commencement of such Session. The comparison on circuit shall be made not less than one day before the attendance of Grand Jurors is necessary. Before Grand Jurors shall be summoned to attend at any Session, the cards containing the names of all those then liable to attend shall be put into a box for the purpose, and the proper number shall be drawn therefrom by the Sheriff or Sub-Sheriff, and the drawing shall be made in the presence of the Registrar or his deputy. The thirty-six persons whose names are first drawn at St. John's, or the twenty-three persons whose names are first drawn on circuit, as the case may be, shall be served with a summons to attend the Session of the Court at St. John's at least two days,

and on Circuit at least one day, before their attendance is required.

- (2) The cards containing the names of grand jurors summoned to attend a Session of the Court in St. John's shall be put into a box in open court, and cards shall then be drawn therefrom until the names of twenty-three have been drawn, if the persons named be then present, but if not, the cards containing the names of those who have been summoned, but have not attended, shall be returned to the box, and from the cards so returned a number shall be drawn equal to the difference between twenty-three and the number previously drawn and present. The said twenty-three shall be the Grand Jury for the Session.
- (3) The grand jurors so selected at St. John's shall, if required, serve and attend at any time from the commencement of one session to the commencement of the next session.
- (4) The grand jurors summoned to attend a Session of the Court holden at any other place shall serve as grand jurors during each session.
- (5) Except as hereinafter provided, grand jurors shall not be liable to serve in St. John's on a grand jury more than one Session, or on a special jury more than once in any period for which this annual list has been prepared; and after they have once so served in such period, the cards containing the names of such grand jurors as have served shall be set aside. But if on comparison, as provided in sub-section 1 hereof, of the cards remaining in the box with the list of grand jurors, the number of cards is less than three hundred, or if more grand jurors are required at any time during a session than there are cards remaining in the box,

the cards containing the names of those who have served as grand or special jurors, except those then serving or summoned to serve, shall be returned to the box, and no right of exemption on the ground of previous service shall exist.

8. Section 68 of the said Chapter is hereby amended Sec. 68—
by striking out the words beginning with “and the first Amendment.
forty-eight persons” in the ninth line thereof to the end
of the Section.

9. Section 69 of the said Chapter is hereby repealed Sec. 69—
and the following substituted therefor:— Amendment.

- (1) When a petty jury is required for the trial of a criminal cause, the Sheriff shall, at the request of the Attorney General or the Solicitor having the conduct of the prosecution, make an appointment to draw the jury on a day and at an hour to be named therein.
- (2) A copy of such appointment shall be served on the accused or his Solicitor at least one day before the day appointed for such drawing.
- (3) Either party or his Solicitor or Counsel, may appear and may continue present during the drawing of the jury; but the presence or absence of either party shall not prejudice his right of objection or exception to such drawing or the mode thereof, or any part thereof.
- (4) At the time and place so appointed the Sheriff or Sub-Sheriff shall, in the presence of the parties or their Solicitors or Counsel, or such of them as shall attend, or if none of them shall attend, then in their absence, draw forty-eight names from the box

containing the names of the petty jurors and shall make a list of them as they are drawn. The said forty-eight jurors shall form the special panel for the trial of the cause and shall be summoned at least a day before the trial.

Sec. 70, Sub-
Sec. 2—
Amendment.

10. Section 70, Sub-Section 2 is hereby amended by striking out the words "panel then serving" in the third line thereof.

Sec. 73—
Repeal of Sub-
Sec. 3 and
substitution.

11. Section 73 is hereby amended by striking out Sub-Section 3 and substituting therefor the following: At the time appointed for each drawing the Sheriff or Sub-Sheriff shall, in the presence of the parties or their Solicitors, or such as shall attend, draw thirty-one names from the box containing the names of the grand jurors then liable to serve other than those then summoned to attend Court for the trial of a civil or criminal case (on Circuit setting aside such as are then summoned to attend upon the grand jury, except in cases where a deficiency would thereby arise) and make a list of them as they are drawn.

Sec. 79—
Repeal of
Sub-Sec. 4 and
substitution.

12. Section 79 is hereby amended by striking out sub-section 4 and substituting therefor the following:—

- (4) At the time and place so appointed the Sheriff or Sub-Sheriff shall, in the presence of the parties or their Solicitor or Counsel or such of them as shall attend, or if none of them shall attend then in their absence, draw forty-eight names from the box containing the names of the grand jurors then liable to serve other than those then summoned to attend Court for the trial of a Civil or Criminal case (on Circuit setting aside such as are then summoned to attend upon the grand jury, except in cases where a deficiency would thereby arise) and make a list of them as they are drawn. The said forty-eight jurors shall form the special

panel for the trial of the causes and shall be summoned at least a day before the trial.

13. The Judge sitting in the Supreme Court on Circuit may enlarge or abridge the time appointed by this Act or by the said Chapter or any amendment thereof for the comparing, drawing, summoning or attendance of any jury summoned to attend the said Court on Circuit. Judge on Circuit may enlarge time for drawing, etc., of jury.

14. Section 82 of the said Chapter is hereby amended by striking out the word "sixty" in the seventeenth line and substituting therefor the word "sixty-five." Sec. 82—Amendment.

15. Appendix N. to the Judicature (Amendment) Act 1920 under the head "Sheriffs and Process Servers" is hereby amended as follows:— Appendix N.—Amendment.

- (1) By striking out the figures 0.50 after the words "service of copy of process" in the first paragraph of said Head and substituting therefor \$1.00.
- (2) By striking out in the sixth paragraph the words "necessary travelling expenses to serve or execute a process per mile" and substituting therefor "necessary travelling expenses to serve or execute a process per mile going and returning. Provided, however, in cases of exceptional difficulty in travelling, the taxing master may allow such expenses as he may deem proper."
- (3) By striking out the following words in the 16th paragraph of said Head "Bailiff for taking charge of property for each day or night together with board and other expenses when Bailiff is away from home \$2.00" and substituting therefor "Bailiff making an attachment and taking charge of property \$2.00 and if he remains actually in charge of the property an

additional \$2.00 for the first day (of 24 hours) and \$4.00 per day (of 24 hours) thereafter.” Provided that when the Bailiff does not remain actually in charge of the property but keeps the same under his control or care, such allowance for so keeping the property in control or care as the taxing officer may deem proper.

- (4) By striking out the following words in the 17th paragraph of said Head “A Bailiff serving a writ or making an attachment at a distance of more than 5 miles from his home shall be allowed the costs of his conveyance to and from such place and \$2.00 per day in lieu of mileage” and substituting therefor “Bailiff serving a writ or making an attachment at a distance of more than 5 miles from his home shall be allowed his board and travelling expenses and a sum of \$4.00 per day (of 24 hours) in lieu of mileage and all other fees, except the fee for service of process.”

Fees collected
by stamps.

16. The said Appendix N is hereby further amended under the Head X. Fees to be taken by the Registrar and to be collected by means of stamps, as follows:—

- (a) By striking out the eighth paragraph thereof and substituting therefor “Upon every writ (except writs of fieri facias) originating summons, and upon every petition to commence a proceeding \$2.00.
- (b) By adding as the 9th paragraph “Upon every writ of fieri facias” \$1.00.
- (c) By striking out the 9th paragraph of the said Head substituting therefor:—
“Upon every Warrant of Attachment”
\$1.00.

Short title.

17. This Act may be cited as “The Judicature Amendment Act 1925.”

CAP. XX.

An Act to amend Cap. 52, Consolidated Statutes (Third Series) entitled "Of Egress from Churches, Theatres and other Buildings."

(Passed May 7, 1925).

SECTION—

- 1—Definition of "place of public resort."
- 2—Doors to open outward.
- 3—Ample means of ingress and egress.
- 4—Roofs, platforms, etc., to be safely constructed.

SECTION—

- 5—Building to be constructed in municipality.
- 6—Inspection of buildings under Act.
- 7—Act not to apply to convents and private chapels.
- 8—Persons liable.
- 9—Penalties.
- 10—Repeal.

BE it enacted by the Governor, the Legislative Council and the House of Assembly, in Legislative Session convened, as follows:—

1. In this Act the expression "place of public resort" means a building used, or constructed or adapted to be used, either ordinarily or occasionally, as a Church, Chapel or other place of public worship (not being merely a dwelling-house so used), or as an orphanage, school, theatre, public hall, public concert room, public ballroom, public lecture room, or public exhibition room, or as a public place of assembly for persons admitted thereto by tickets or by payment, or used, or constructed or adapted to be used, either ordinarily or occasionally, for any other public purpose, but shall not include a private dwelling house used occasionally or exceptionally for any of those purposes.

2. Every place of public resort shall have its doors so hinged as to open freely outwards, to facilitate the egress of occupants; provided that any now existing provision, if satisfactory to the Inspector General of Con-

stabulary and Government Engineer, shall not be deemed a contravention of this Section.

Ample means
of ingress and
egress.

3. (1) Every place of public resort shall be substantially constructed, and supplied with ample, safe and convenient means of ingress and egress for the use of the public, regard being had to the purposes for which such building is used or intended to be used, and the number of persons likely to be assembled at any one time therein.
- (2) Where any alteration is required in any place of public resort to make it safe for the use of the public in accordance with the provisions of this Section, such alteration, if in St. John's, may be ordered in writing by the City Engineer and the Inspector General, and if outside of St. John's, by the Government Engineer and the Inspector General; and the owner, occupier or manager of such place of public resort, failing to make ordered alterations within a reasonable time, shall be guilty of an offence against this Act.
- (3) The means of ingress and egress to and from any place of public resort or to and from the stairways and galleries thereof and the passages and aisles thereof shall during the whole time it is in use as a place of public resort be kept free and unobstructed to such extent as the Inspector General of Constabulary or any Police Officer may require.
- (4) Where any alteration in any place of public resort is required or is ordered hereunder to afford proper means of ingress and egress, the Stipendiary Magistrate before whom complaint is made may refuse to inflict a penalty

for an offence under this Section until a reasonable time has been allowed for making such alteration, and may make such order as he thinks fit for the closing or otherwise of the places during such time.

- (5) Any owner, occupier or manager of any place of public resort who uses the same, or suffers the same to be used, when it contravenes this Section, or when its means of ingress or egress are not free and unobstructed, shall be guilty of an offence against this Act.

4. (1) Whenever a large number of persons are ^{Roofs, platforms, etc., to be safely constructed.} likely to assemble on the occasion of any show, entertainment, public procession, open-air meeting, or other like occasion, every roof of a building and every platform, balcony or other structure or part thereof let or used or intended to be let or used for the purpose of affording sitting or standing accommodation for a number of persons, shall be safely constructed or secured, to the satisfaction, if in St. John's, of the City Engineer and the Inspector General, or persons appointed by them expressed by a permit in writing and, if outside of St. John's to the satisfaction of the Government Engineer and the Inspector General, or persons appointed by them expressed as aforesaid.

- (2) Any person who uses or allows to be used in contravention of this Section any roof of a building, platform, balcony, or structure owned, occupied or managed by him, not so safely constructed or secured or for which no permit as aforesaid has been granted shall be guilty of an offence against this Act.

Building to be
constructed in
municipality.

5. (1) No building intended as place of public resort shall be constructed in any municipality without prior notice to the Council thereof, and a copy of the plans proposed to be used in such construction shall be forwarded to the said Council.

(2) The construction of any place of public resort not approved by the Council of a Municipality, or its use by the public after such construction, shall be a violation of this Act by the Owner, Occupier and Manager thereof.

Inspection of
buildings under
Act.

6. The Inspector General of Constabulary, the Government Engineer, the City Engineer of St. John's or any Police Officer may at all reasonable times enter any place of public resort to ascertain if the provisions of this Act are observed.

Act not to
apply to
convents or
private chapels

7. This Act shall not be construed to apply to convents or private chapels connected therewith.

Persons liable

8. Congregations possessing corporate powers, and all trustees and other persons owning, occupying or managing places of public resort shall be jointly and severally liable under the provisions of this Act.

Penalties.

9. Any person violating any of the provisions of this Act shall be liable to a fine not exceeding Five Hundred Dollars or to imprisonment for not more than six months, or to both fine and imprisonment, which may be sued for, imposed and recovered in a summary manner before a Stipendiary Magistrate.

Repeal.

10. Chapter 52, Consolidated Statutes (Third Series), is hereby repealed.

CAP. XXI.

**An Act to amend Chapter 25 of the Consolidated Statutes
(3rd Series) entitled "Of Light Dues."**

(Passed April 3, 1925)

SECTION 1—Amendment to Sec. 1.

BE it Enacted by the Governor, the Legislative Council
and the House of Assembly in Legislative Session
convened, as follows:—

1. Chapter 25 Consolidated Statutes (Third Series),
entitled "Of Light Dues" is hereby amended as fol-
lows:—

- (a) By striking out from Section 1 thereof the ^{Amendment to} words "other than coasting, sealing or fishing ^{Sec. 1.}
vessels owned and registered in this Colony,"
and by substituting in place thereof the words
"except as provided hereinafter."
 - (b) By striking out from Section 3 thereof all the ^{Amendment to} words after the word "trade" and by substi-^{Sec. 3.}
tuting in place of the words stricken out the
words "or upon such vessels being ordinarily
engaged in such fisheries or trade returning
from voyages to the Dominion of Canada dur-
ing which they have not touched at ports out-
side the said Dominion."
-

CAP. XXII.

An Act relating to the St. John's Dry Dock.

(Passed April 3, 1925)

SECTION—

1—Governor-in-Council empowered to make contract.

SECTION—

2—Amounts applied for repairs, etc.
3—Loan may be raised.

BE it Enacted by the Governor, the Legislative Council and the House of Assembly in Legislative Session convened, as follows:—

Governor-in-Council empowered to make contract.

1. The Governor-in-Council is hereby authorized and empowered to enter into a contract or arrangement with any responsible person, firm or corporation for the repairing of the said St. John's Dry Dock and all such extensions, building, repairing, installation of machinery, labour and work whatsoever as may be incidental thereto or necessary in connection therewith and including the building of sheds and repairs to pier.

Amounts applied for repairs, etc.

2. There may be applied to the said purposes the following amounts set forth in Section 2 of the Loan Act, 1924:—

Cost of repairs to dock.....	\$ 50,000.00
Cost of building sheds and repairs to pier, St. John's West	\$125,000.00
Estimated cost of construction of plant for coal and fuel, etc., St. John's West.....	\$500,000.00

Loan may be raised.

3. There may be raised by means of loan upon the credit of the Colony such further sum or sums, not exceeding \$500,000.00 as may be necessary for the carrying out of any contract or arrangement entered into hereunder.

CAP. XXIII.

An Act "respecting the Encouragement of Shipbuilding and Rebuilding."

Passed May 7, 1925.

SECTION—

- 1—Interpretation.
- 2—Appointment of chief surveyor and deputies.
- 3—Penalty for false statement.
- 4—Bounties payable.
- 5—No bounty unless ship classed at Lloyd's or surveyed.
- 6—When survey to be made.
- 7—Surveyor may class ships.
- 8—Certificate of class when granted.

SECTION—

- 9—Bounties on ships rebuilt before June 30th, 1928.
- 10—Ships being rebuilt to be surveyed.
- 11—Equipment to be approved by surveyor.
- 12—Ships being rebuilt to be hauled out of water.
- 13—Ships being rebuilt after November 1st, 1924, and before passing of Act.
- 14—Fee on survey.
- 15—Payment of bounty.
- 16—Repeal.

BE it enacted by the Governor, the Legislative Council and the House of Assembly, in Legislative Session duly convened, as follows:—

1. In the interpretation of this Bill unless the context implies a different meaning:—

- (a) The words "built and equipped" mean newly built and equipped in this Colony, with new materials, as specified in one of the Schedules to this Act, or classed at Lloyd's.
- (b) The word "rebuilt" means rebuilt in this Colony, with new materials, according to the provisions of this Act, after being hauled completely out of the water, and stripped for rebuilding.
- (c) The word "ton" means ton by builder's measurement.

- (d) The word "Surveyor" means and includes the Chief or a Deputy Surveyor.
- (e) The word "ship" includes every description of vessel used in navigation not propelled by oars.
- (f) The word "stripped" means stripped as far as a Surveyor may require, to enable him to make a thorough examination, and the removal of all timber ordered by the Surveyor to be removed.

Appointment
of chief
surveyor and
deputies.

2. The Governor-in-Council may appoint a Chief Surveyor and Deputy Surveyors of Shipping.

Penalty for
false
statement.

3. For making any wilfully false statement in relation to the survey of any ship, or for wilfully or negligently giving any ship a class to which she was not entitled, a Surveyor, upon conviction in a summary proceeding before a Stipendiary Magistrate, shall be liable to a penalty not exceeding one thousand dollars, or in default, to imprisonment not exceeding one year.

SHIP BUILDING

Bounties
payable.

4. The following bounties may be paid in respect of built and equipped ships registered in the Colony.

- (a) Upon ships not less than eighty tons, classed as Lloyd's thirty dollars per ton up to one hundred and fifty tons; and twenty dollars per ton for each ton in excess of one hundred and fifty.
- (b) Upon ships not less than twenty tons, built according to Schedule A hereto, thirty dollars per ton up to fifty tons, and sixteen dollars per ton for each ton in excess of fifty.

- (c) Upon ships not less than twenty tons built according to Schedule B hereto, twenty-four dollars per ton up to fifty tons, and ten dollars per ton for each ton in excess of fifty.
- (d) Upon ships not less than fifteen tons nor more than forty tons built according to Schedule C hereto, fifteen dollars per ton.
- (e) Ships built according to Schedules A. B. or C shall be equipped with Lloyd's tested chains, and with anchors, chain plates, deadeyes, hawse pipes, rigging, sails and spars, suitable to their tonnage.
- (f) If a ship newly built with new materials according to one of the Schedules hereto be equipped in whole or in part with previously used materials, one half of the bounty which would be payable in respect of such ship if her equipment were new shall be payable to her owner if a Surveyor in addition to surveying and certifying as in the case of a ship built and equipped within the meaning of this Act has also certified that the equipment provided is fit and proper for such ship.

5. No bounty shall be paid in respect of a ship built and equipped which has not been classed at Lloyd's or surveyed by a Surveyor, or concerning which, if not so classed, a Surveyor has not certified in writing that he has duly surveyed her, and found her to be built and equipped as provided herein.

6. No bounty shall be paid in respect of ships built and equipped according to Schedule A. B. and C. here-
to unless such ships have been surveyed:—

- (a) When the frames and knees are in place, and before they are covered by planking;

- (b) When the ship has been planked; and before she has been completed; and
- (c) Upon the completion of the ship, and the making of the claim for bounty in respect of her.

CLASS FOR SHIPS

Surveyor may
class ships.

7. A Surveyor may class as for ten years ships built and equipped according to Schedule A, if they have been surveyed as provided herein; and as for seven years ships built and equipped according to Schedule B, and as for five years ships built and equipped according to Schedule C, and not more than forty tons, provided he has surveyed such ships after completion; and no bounty shall be paid in respect of any ship which has not been classed as provided herein.

Certificate of
class when
granted.

8. Upon the certificate of a Surveyor that he has surveyed a ship, and has found her to be built and equipped as provided herein, and upon the report of the Minister of Finance and Customs that the proper survey fees have been paid, the Governor-in-Council may grant a Certificate of class in respect of said ship for the designated number of years.

SHIP REBUILDING

Bounties on
ships rebuilt
before June
30th, 1928.

9. The following bounties may be paid in respect of ships registered in the Colony and rebuilt before the 30th day of June, 1928, so as to conform as far as rebuilt ships may:—

- (a) To Lloyd's regulations or Schedule A hereto, twenty dollars per ton;
- (b) To Schedule B hereto, fifteen dollars per ton,
- (c) To Schedule C hereto, ten dollars per ton.

10. Ships being rebuilt shall be surveyed:—

Ships being
rebuilt to be
surveyed.

- (a) When completely out of the water and stripped for rebuilding;
- (b) When deck beams and knees are fitted and before completion.
- (c) When rebuilding is completed.

11. Anchors, chains, chainplates, deadeyes, hawse pipes, rigging sails and spars, that have been in use may be used in rebuilding, if a Surveyor approves, but a Surveyor shall order that new equipment be substituted for defective equipment.

Equipment to
be approved
by surveyor.

12. No bounties may be paid in respect of ships rebuilt unless they have been hauled completely out of the water and stripped for rebuilding, and the Surveyor after inspection of such ships when they are completely out of the water, certifies that proper rebuilding will make them fit to engage in the trade or fisheries of the Colony, and after such rebuilding has been inspected by him, further certifies that satisfactory rebuilding has been completed and that the ship conforms to the Schedule in respect of which she has been rebuilt.

Ships being
rebuilt to be
hailed out of
water.

13 Notwithstanding the foregoing provisions as to the survey of ships rebuilt, the bounty which would be payable in respect of any ship if she had been surveyed accordingly shall be paid to the owner of any ship upon which rebuilding was begun after the first day of November A.D. 1924, and before the enactment hereof, after having been hauled completely out of the water and stripped, provided that a Surveyor, upon inspection of such ship, certifies that to the best of his knowledge and belief she has been well and satisfactorily rebuilt, according to Section 9 hereof, and that the Minister of Marine and Fisheries shall certify after due enquiry that the bounty ought to be paid.

Ships being
rebuilt after
November 1st,
1924, and
before passing
of Act.

Fee on
survey.

14. The owner of every ship surveyed hereunder shall pay to the Minister of Finance and Customs a fee of ten cents per ton, recoverable before a Stipendiary Magistrate by an action in the name of the said Minister.

Payment of
bounty.

15. Upon receiving the certificate or certificates of a Surveyor, and the report of the Minister of Marine and Fisheries and after the fee for surveying a ship has been paid, the Minister of Finance and Customs shall cause the proper bounty to be paid out of the Consolidated Revenue fund to the owner, or his nominee, of any ship in respect of which such bounty is due and payable.

Repeal.

16. Chapter 176 of the Consolidated Statutes, Third Series, entitled "Of the Encouragement of Shipbuilding" and all Acts in amendment thereof are hereby repealed.

SCHEDULE A.

Vessels claiming bounty and local class.

Schedule A.

The thickness of plank used in planking, ceiling and decking shall be:—

For vessels from twenty to thirty tons; planking not less than two inches; ceiling, two inches; decking, two and three-eighth inches.

For vessels from thirty to forty tons; planking, two and a quarter inches; ceiling, two inches; decking, two and a half inches.

For vessels from forty to sixty tons; planking, two and a half inches; ceiling, two and a quarter inches; decking, two and three quarter inches.

For vessels from sixty to ninety tons; planking, not less than two and three quarter inches; ceiling, two and one quarter inches; decking, three inches.

For vessels from ninety tons upwards; planking, not less than three inches; ceiling, two and a half inches; decking, three inches. Schedule A.
(continued.)

Plank and ceiling shall be through fastened; there shall be one bolt or trenail in each timber for every strake of plank and ceiling in all vessels over twenty-five tons.

Vessels under that measurement may be fastened under the bilge with galvanized or composition nails, one in each timber for every strake of plank. Nails are not to be used in substitute for bolts in planking vessels over thirty tons.

All planks over seven inches in width shall have two bolts or trenails in each timber, and caulked outside and wedged inside.

The frame shall be good, squared sound timbers, which shall not be more than five inches apart, and thoroughly fastened together with fore and aft bolts.

For planking there shall not be less than five feet shift between the butts and two butt bolts and one rivet bolt through each butt.

In timbering a vessel there shall be two trenails in each locking, and the locking shall be keyed.

Any vessel with raised deck shall have main deck go aft under the raised deck to the next beam. The raised deck beam shall have a rivet bolt through and bolted two feet apart; deck knees between the beams, fore and aft stringers at bilge, one inch thicker than ceiling, and to be two to four feet wide according to tonnage.

One stringer at each side of the bow with breast hook; one pair pointers aft.

Schedule A.
(continued.)

Plates for bob-stay and forestay shall come back on main plank eighteen inches long, and shall have three bolts in each plate.

For stem, keel and stern-post there shall be good dove-tail plates.

Each vessel shall have a good windlass and windlass bitts riveted and bolted through the beams.

Each vessel shall be supplied with two pumps.

Inspectors.

- 3. (1) The Governor-in-Council may appoint a Chief Inspector and Deputy Inspector to inspect the hulls, machinery and equipment of ships. No person interested in the building or construction of the hulls of ships, or in any article or

thing forming part of or properly belonging to or connected with the machinery or equipment of a ship, may be appointed an Inspector.

The Chief and Deputy Surveyors of Ships may be appointed Chief Inspectors and Deputy Inspectors respectively hereunder.

REGULATIONS.

4. The Governor-in-Council may from time to time Governor-in-Council may make rules and regulations for or relating to the in-^{Council may make} inspection of the hulls, machinery and equipment of ships regulations, for the purpose of ascertaining whether they are in seaworthy condition, and such rules and regulations when proclaimed through the Newfoundland Gazette shall have the force and effect of law.

REPORT TO MINISTER.

5. The Master or Owner of a ship shall, at the earliest Master or possible opportunity after the occurrence of any event ^{owner to report to} whereby the hull, machinery or equipment, or any part Minister. of the same, is in any material degree injured, strained or weakened, report such occurrence to the Minister.

INSPECTION OF SEALING SHIPS

6. (1) No ship shall proceed from any port in this Inspection of Colony to prosecute the sealing industry un-^{sealing ships.} less she has been prepared for such voyage, and within three months of the commencement thereof been inspected as provided herein, by an Inspector, as to hull, machinery and equipment and been certified by him in writing to be in fit and proper condition in every respect to proceed on said voyage.
- (2) The Owner of every such ship shall give written notice to the Minister not later than the first day of February of each year that the ship is ready for inspection, and the ship shall be ready for such inspection at such time.

PASSENGER SHIPS INSPECTION.

Inspection of
passenger ships

7. (1) No ship carrying passengers, not ordinarily engaged in such carrying, shall proceed from any port in this Colony with passengers, unless in preparation for such voyage she has been inspected as to hull, machinery and equipment, by an Inspector, and been certified by him in writing to be in fit and proper condition in every respect to proceed on the proposed voyage, and to carry the number of passengers named in such certificate; and no ships shall carry a greater number of passengers than such certificate shall designate.
- (2) The master of such a ship as last mentioned shall, at a convenient time before the date proposed for her sailing, notify in writing the Customs Officer nearest to the place where the ship is lying of the intention to carry passengers in such ship, and such Customs Officer shall thereupon transmit such notice to the Minister, who shall, by writing under his hand, appoint such Customs Officer, or other competent person, to make the Inspection referred to in this Section, if no Inspector appointed by the Governor-in-Council can conveniently make the inspection.

BOATS ON PASSENGER AND SEALING SHIPS.

Boats on
passenger and
sealing ships.

8. No ship carrying passengers or engaging in the sealing industry, shall proceed from any port in the Colony on any trip without adequately equipped seaworthy boats sufficient to safely and conveniently carry the passengers and crew on said ship.

EXAMINATION EVERY SIX MONTHS.

Passenger ships
to be surveyed
each six
months

9. (1) No ship carrying passengers shall proceed from any port in this Colony unless she has been surveyed within six months of the date

of such departure by an Inspector, and unless such Inspector has certified in writing that her hull, machinery and equipment are such as to fit her to carry the number of passengers designated in the Certificate.

- (2) An Inspector shall not give any such Certificate with regard to boats unless he has inspected such boats when in the water and found them to be good and sufficient.

ANNUAL INSPECTION HALF CLASS SHIPS.

10. No ship, the time of whose class has half expired, shall proceed from any port in this Colony to the deep sea or Labrador fisheries, or upon any foreign voyage, unless she has within one year of such sailing been inspected as provided herein, by an Inspector, as to hull, rigging and equipment, and been certified by him in writing to be in fit and proper condition in every respect to proceed on said voyage.

BOATS ON STEAMERS.

11. On every steamer registered in this Colony, carrying passengers to and from it, or from port to port within the Colony.

- (a) An Officer, and, as far as the number of the crew of the ship will permit, a crew, shall be assigned to each boat of said ship, and the said Officer and boat's crew shall be especially charged with the care and control of the boat assigned to them;
- (b) The crew of the ship shall be drilled every fortnight while the ship is in the passenger service, in the launching of the ship's boats;
- (c) Every boat shall be launched into the water once in each fortnight, and as far as possible,

this shall be done by a boat's own Officer and crew;

- (d) If any boat be leaky or otherwise defective, or if equipment be insufficient or defective, all defects shall be remedied and all shortages supplied at the earliest possible opportunity;
- (e) The fact of the drill and launching having been undergone and made, with the date thereof, shall be noted from time to time in the ship's log book by the Master and first Officer of such ship.

POWERS OF INSPECTORS.

Powers of
Inspectors.

- 12. (1) An Inspector may, for the purpose of inspecting, go on board of any ship and inspect or examine the same and every part thereof, and the machinery, equipment and cargo, and may require the unloading or removal of any cargo, ballast or tackle, and may ask of any or all of the Owners or Officers of such ship, or other person on board thereof and in charge or appearing to be in charge thereof, and the crew thereof, such pertinent questions concerning the same or concerning any accident that has happened thereto as he thinks fit.
- (2) Every such person shall fully and truly answer every such question so put to him.
- (3) An Inspector may demand of the Owner or Master of any ship which he is inspecting, the production of the Certificates or registry of such ship, and such Owner or Master shall thereupon produce and exhibit the same to such Inspector.
- (4) No person shall obstruct or molest any Inspector making an Inspection, and no owner, master or other officer of a ship undergoing

inspection shall refuse or fail to furnish an Inspector with reasonable assistance when requested, in making such inspection.

- (5) If an Inspector reports to the Minister in writing that he considers that the hull, machinery or equipment of any such ship is in such condition that she could not make the voyage or trip from any port or place in the Colony without endangering life or property, stating the facts on which his report is based, the Minister shall direct such ship to be detained, and the Inspector shall thereupon detain such ship, and notify a Chief Officer of Customs at any port.
- (6) No ship so detained shall go on a voyage or trip as aforesaid, or be used for the purpose of navigation, until permitted by the Minister.
- (7) If an Inspector after inspecting the machinery or equipment of a ship is of opinion that its use in loading or unloading her cargo would be unsafe or dangerous, he shall so inform the Master of the said ship, and the use of such machinery or equipment in loading or unloading until permitted by the Inspector shall be unlawful.

GENERAL PROVISIONS.

13. No more than one person for each registered ton shall be carried on sailing ships between this Island and Labrador.

Persons on sailing ships between Island and Labrador.

14. No ship shall carry females between this Island and Labrador which has not a separate cabin for such females, affording at least fifty cubic feet space for each such female, and is equipped with sufficient separate sanitary accommodation.

Separate cabin for females on ships to Labrador.

CAP. XXVII.

An Act to confirm the Titles to Certain Lands at Corner Brook.

(Passed May 7, 1925).

SECTION—

- 1—Lands at Corner Brook
declared to be vested in

SECTION—

- Nfld. Power & Paper
Company, Ltd.
2—Reservations.

BE it enacted by the Governor, the Legislative Council and the House of Assembly, in Legislative Session convened, as follows:—

Recitals.

WHEREAS, for the purpose of establishing and carrying on a large pulp and paper industry at Corner Brook, in the district of St. George's and of providing the works and facilities necessary for operating the same, Newfoundland Power & Paper Company, Limited, has acquired by grant, purchase, expropriation and otherwise certain lands and lands covered by water at Corner Brook aforesaid, which lands are contained within the limits and boundaries set out and described in the First Schedule of this Act and Newfoundland Power & Paper Utilities Corporation, Limited, has for the purpose of providing suitable accommodation and facilities for the employees engaged in the operation of the said industry similarly acquired certain other lands at Corner Brook aforesaid which lands are contained within the limits and boundaries set out and described in the second Schedule of this Act and which are intended to be utilized for the purpose mainly of a townsite and the erection thereon or on parts thereof of dwelling-houses and other buildings and works and the laying out and construction of roads, streets, parks, recreation grounds and open spaces for the use, occupation and enjoyment of the inhabitants of such town.

AND WHEREAS the said Companies respectively hold the said lands at present subject to certain reserva-

tions, conditions, covenants and restrictions contained and reserved in the grants thereof or otherwise attached thereto by law.

AND WHEREAS it is considered essential to the conduct of the said industry and the construction and maintenance of the said works and the planning, building and regulation of the said town that the respective titles of the said Companies to the said land be freed from all such reservations, conditions, covenants and restrictions and vested in the said respective Companies absolutely and indefeasibly; subject to the conditions hereinafter set forth.

Be it Therefore enacted by the Governor, the Legislative Council and House of Assembly, in Legislative Session convened, as follows:—

1. The lands at Corner Brook contained within the boundaries and limits set out and described in the First Schedule of this Act are hereby declared to belong to, and to be vested indefeasibly in, Newfoundland Power & Paper Company, Limited, and its assigns and the lands at Corner Brook contained within the boundaries and limits set out and described in the Second Schedule of this Act are hereby declared to belong to and to be vested indefeasibly in Newfoundland Power & Paper Utilities Corporation Limited, and its assigns subject as to all such lands only to such mortgages, charges, trusts, rights, titles and interests therein and thereto as may have been acquired or be possessed by any other persons firm or corporation, and as may now affect the same or any of them, by virtue of any instrument from or with the said Companies or either of them or any one acting on their behalf, and freed absolutely of all restrictions, exceptions, reservations, adverse rights, conditions, provisoes and covenants whatsoever in any grant from the Government of Newfoundland contained or attached thereto by virtue

of the provisions of any Act or Acts or otherwise by operation of law, and especially, but without limiting the generality of the foregoing of (a) all reservations for public use or spaces adjoining public waters within the said area; (b) conditions requiring the planting, cultivating and preservation of trees or wooded land as shelter for stock; and (c) reservations of land for use as public roads, paths or rights of way.

Reservations.

2. Until Newfoundland Power & Paper Utilities Corporation, Limited, shall have completed the said work of planning and building the said town and of laying out new and improved roads and streets therein, it shall reserve and maintain for public use sufficient and suitable roads, paths and ways in and over the said area referred to in the Second Schedule hereto to the same extent to which the same were used and enjoyed by the public before the said lands were acquired by the Company.

6. Subject to the provisions of this Act and to the Excise duties, requirements of Chapter 22 of the Consolidated Statutes

(3rd Series) and amendment thereof, there shall be levied, collected and paid upon all goods enumerated in Schedule D. to this Act, the several rates of excise duties set forth and described in the said Schedule and set opposite to each item respectively.

Dumping duty.

7. In the case of articles exported to Newfoundland of a class or kind made in Newfoundland if the export or actual selling price to an importer in Newfoundland be less than the domestic value of the same article when sold for home consumption in the usual and ordinary course in the country whence exported to Newfoundland at the time of its exportation to Newfoundland there shall, in addition to the duties otherwise established, be levied, collected and paid upon such article on its importation into Newfoundland, a special duty (or dumping duty) equal to the difference between the said selling price of the article for export and the said domestic value thereof for home consumption.

Provided that the said special duty shall not exceed twenty-five per cent. ad. valorem in any case;

Provided further that the excise duties shall be disregarded in estimating the domestic value of goods for the purposes of special duty.

(2) That the expression "export price" or "selling price" in this Section shall be held to mean and include the exporter's price for the goods exclusive of all charges thereon after their shipment from the place whence exported directly to Newfoundland.

(3) That if at any time it appears to the satisfaction of the Governor-in-Council, on a report from the Minister of Finance and Customs, that the payment of the special duty by this

Section provided for is being evaded by the shipment of goods on consignment without sale prior to such shipment, the Governor-in-Council may in any case or class of cases authorize such action as is deemed necessary to collect on such goods or any of them, the same special duty as if the goods had been sold to an importer in Newfoundland prior to their shipment to Newfoundland.

- (4) If the full amount of any special duty of Customs is not paid on goods imported, the Customs entry thereof shall be amended and the deficiency paid upon the demand of the Collector of Customs.
- (5) The Minister of Finance and Customs may make such regulations as are deemed necessary for carrying out the provisions of this Section and for the enforcement thereof.
- (6) Such regulations may provide for the temporary exemption from special duty of any article or class of articles, when it is established to the satisfaction of the Minister of Finance and Customs that such Articles are not made or sold in Newfoundland in substantial quantities, and offered for sale to all purchasers on equal terms.
- (7) Such regulations may also provide for the exemption from special duty of any article when the difference between the current domestic value and the selling price thereof to the importer as aforesaid amounts to only a small percentage of its current domestic value.

Duties, etc.,
how payable.

8. All sums of money payable under this Act as duties, penalties, forfeitures, shall be deemed, and are hereby declared to be in dollars and cents Newfoundland currency, and shall be received, taken and paid in such currency, save and except where it is otherwise provided by the provisions of Chapter 22 of the Consolidated Statutes (Third Series); and all duties shall be paid and received according to Imperial Weights and Measures by law established in this Colony, save and except where it is otherwise provided in this Act; and in all such cases where such duties are imposed according to any specific quantity or value, the same shall apply in like proportion to any greater or less quantity or value.

Duties under
Schedule A—
how payable.

9. The several duties imposed in Schedule A of this Act shall be paid by the Importer of such articles, respectively and shall be collected and secured by means of, and under the regulations and penalties, and in the manner provided by any Act or Acts of the General Assembly of this Colony for collecting the Revenue of this Colony and its Dependencies.

Goods
imported for
manufacturing
purposes.

10. With respect to Goods imported for manufacturing purposes that are admissible for any specific purposes at a lower rate of duty than would otherwise be chargeable, or exempt from duty, the Importer claiming such exemption from duty, or proportionate exemption from duty, shall make and subscribe to the following affidavit or affirmation before the Collector of Customs at the port of entry, or before a Notary Public or a Commissioner for taking affidavits.

I (name of the Importer) the Undersigned, importer of the (names of the goods or articles), mentioned in this entry do solemnly (swear or affirm) that such (names of the goods or articles) are imported by me for the manufacture of (names of the goods to be manufactured) in my own factory, situated at (name of place), and that

no portion of the same will be used for any purpose or disposal of until so manufactured.

11. Whenever the Governor-in-Council has reason to believe that with regard to any article of commerce there exists any trust, combination, association, or agreement of any kind among manufacturers of such articles or dealers therein, to unduly enhance the price of such article, or in any way to unduly promote the advantage of the manufacturers or dealers at the expense of the consumers, the Governor-in-Council may commission or empower any Judge of the Supreme Court to enquire in a summary way into and report to the Governor-in-Council whether such Trust, Combination, Association or Agreement exists.

(2) The Judge may compel the attendance of witnesses, and examine them under oath and require the production of books and papers and shall have such other necessary powers as are conferred upon him by the Governor-in-Council for the purpose of such enquiry.

(3) If the Judge reports that such trust, combination, association, or agreement exists, and if it appears to the Governor-in-Council that such disadvantage to the consumer is facilitated by the duties of Customs imposed on a like article, when imported, then the Governor-in-Council shall place such article on the free list or so refuse the duty on it as to give the public the benefit of reasonable competition in such articles.

12. In the case of all Wines, Spirits or Alcoholic Liquors subject to duty according to their relative strength of proof, such strength shall be ascertained either by means of Sike's Hydrometer or of the specific Gravity Bottle as the Minister of Finance and Customs

directs, and in case such relative strength cannot be correctly ascertained by the direct use of the Hydrometer or Gravity Bottle it shall be ascertained by the distillation of a sample, and the subsequent test in like manner of the distillate.

Medicinal
preparations.

13. All medicinal Preparations, whether chemical or other, usually imported with the name of the manufacturer, shall have the true name of such manufacturer and the place where they are prepared, and the word "Alcoholic" or "non-alcoholic" permanently, and legibly affixed to each parcel by stamp, label or otherwise, and all Medicinal Preparations imported without such names and words so affixed may be forfeited.

- (a) Usual coverings containing free goods only; usual coverings except receptacles capable of holding liquids, containing goods subject to a specific duty only, N.O.P. free.

- (b) Usual coverings, containing goods subject to any ad valorem duty, when not included in the invoice value of the goods they contain, 40 per cent.
- (c) Provided the usual coverings containing goods subject to any ad valorem duty, if included in the invoice value of the goods they contain, and not charged separately on the invoice, shall be subject to the same rate of duty ad valorem as the goods they contain, and may be combined with the goods for valuation and duty on the Customs entry;
- (d) Provided, further, that receptacles capable of holding liquids when containing goods subject to a specific duty shall be charged with a duty of thirty per centum ad. valorem. The value for duty of all coverings and receptacles shall be determined in a manner to be prescribed by regulations made by the Minister of Finance and Customs.
- (e) Provided further that usual coverings designed for use other than in the bona fide transportation of goods they contain shall be charged with the rate of duty to which the same would be subject if imported separately;
- (f) Provided also, that the term "coverings" in this Section shall include packing boxes, crates, casks, cases, cartons, wrapping, sacks, bagging, rope, twine, straw or other articles used in covering or holding goods imported therewith, and the labour and charges for packing such goods, subject to regulations made by the Minister of Finance and Customs.

192. Electrical Appliances for cooking and heating such as: Flat Irons, Toasters, Percolators, Table Stoves, Hot Water Kettles, Hot Plates, Curling Irons, Waffle Irons, Electric Ranges, Radiators, Air Heaters, Bayonet Heaters, and the like when costing at point of shipment \$50.00 or less—ad. val. 50 p.c.
- Electric Appliances for cooking and heating as set forth above when costing at point of shipment over \$50.00—ad. val. 45 p.c.
193. X-Ray, High Frequency and Quartz Lamp Apparatus and parts for same for the use of Hospitals and Private Medical Practitioners, also special supplies for same, such as Electrodes, Dry Plates, Films, Developing and Fixing Compounds—ad. val. 10 p.c.

(E) Machinery and Mechanical Apparatus.

194. Hand and Power Machinery and duplicate parts thereof, N.E.S., such as:—Drilling Machines, Fan Blowers, Portable Forges, Pumps, Turning Lathes, Fret-Saw Machines, Scroll Saw Machines, and Dating Ruling, Paging, and Perforating Machines including pens for same, and costing at place of shipment \$100.00 or less per machine or per piece—ad. val. 50 p.c.
195. Hand and Power machinery set forth in Section 194 costing at place of shipment over \$100.00 and machinery patented and of a kind not manufactured in this Colony, N.E.S.—ad. val. 35 p.c.
196. Office and Domestic Machinery and duplicate parts thereof such as: Typewriters, Calculating Machines, Sewing Machines, Knitting Machines, Clothes-Washing and

	Wringing Machines, and Fog Horns—ad. val.	35	p.c.	Schedule A (cont'd)
197.	Wood-Working Machinery and Saw-Mill Machinery (N.E.S.), Steam Engines and Turbines, Gas Engines, Stationary Engines (not marine), Motor Engines, N.E.S., Water Wheels and Turbines, Elevators, Steam and Hot Water Boilers for Power and Heating purposes, Radiators, Horse Power Machines, Hoisting Engines, Concrete Mixers, Rock Crushers, Cranes and Derricks—ad. val.	30	p.c.	
198.	Machinery and parts of Machinery, N.E.S. ad. val.	50	p.c.	
	Parts of Machinery for Motor Boats engaged in the fisheries—ad. val.	30	p.c.	
199.	Railway rolling stock, Locomotives, Track Machines or Speeders, Loco-tenders, Railway Cars, Tram Cars, Steam or Power Shovels, Power Tractors—ad. val.	42	p.c.	
	Power Tractors for Agricultural and Logging purposes and parts for same—ad. val.	25	p.c.	
200.	Machinery of a kind not manufactured within the Colony, to be used solely for drying, packing, manufacturing, refining and freezing the products of the fishery, such as: Fish Presses, Fish Drying Apparatus, Fat-grinding, Cutting and Skin-ning Machines, and Presses for Oil-refining, Refrigerating Machinery, and Ship Machinery of a kind not manufactured within the Colony such as Power Winches, Windlasses, and Steering Gears for Ships, and Patent Sealers for use of Cann-ers—ad. val.	15	p.c.	
201.	Special Manufacturing Machinery and Apparatus (not including repair parts) of a kind not manufactured within this Col-
